HIGH SCHOOL STUDENTS ENJOY PROGRAM

"Topsey Turvey," a feature of the Parent Teacher's Program, was also presented to the High School students, at their Valentine program, given Friday, February 14. A duet by Margaret Brophy and Mary Hannaford, a reading by Alice Davis, a talk "Why Oregon is the Valentine State", by Mr. Davies concluded the program sponsored by the Dramatic Committee.

After the program the Valentines were distributed. We were pleased to have Mrs. Carter, County School Superintendent, with us.

C.E. PRESIDENT TO CONDUCT MEETING

Elva Caster, president of the Crater Lake Union, will make a visit to the Eagle Point Christian Endeavor, Sunday evening February 23.

With the cooperation of the other officers, Miss Caster will put forth a meeting both interesting and beneficial which will deal mostly with the work of each committee. The evening will also include the regular work, a talk on the "Christian Endeavor Paper," and special music.

JACKSONVILLE GAME TONIGHT

The first game with Jacksonville for this season will be played at Jacksonville, tonight. This will probably be a close game for Eagle Point girls because the Jacksonville girls are large and also fast players. From the playing of the Eagle Point boys last Friday night we will not be surprised if they come home with a victory.

The return game will be played Monday, February 24, on the home floor.

EAGLE POINT GIRLS WIN FROM MEDFORD GIRLS

The Medford Courthouse team was defeated by Eagle Point girls Tuesday night in their third practice game of this season by a score of 29 to 39. The girls enjoyed the game and to show their appreciation for the help which the Medford girls have given them, the Eagle Point girls served a lunch of cocoa, sandwiches, pickles, and cake. This was not only enjoyed by the girls but also by Mrs. Hannaford, Stella Hannaford, Miss Burt, Mr. Haan, and Mr. Davies.

Speeches were made by both captains.

WASHINGTON'S BIRTHDAY

How many of us think about or even remember our first Presidents birthday, February 22. We read many times of his bravery in battle, his kindness to soldiers, his wonderful ability as President, but most of all about the hatchet and the Cherry tree.

Many of us at this day and age think that we haven't a chance to do some act of heroism but even if we should happen to possess a brand new hatchet and cut down the choiced cherry tree that would not make us George Washingtons and would probably seem less at the time of the reckoning. But, if we do our best in our very own way I am sure we shall become Presidents and famous people of the world much faster.

Brada Chambers made one of her rare visits to her parents in Ashland during the last week end.

Mrs. Miller of Seattle, Washington will arrive tonight to spend a few weeks with Miss Helen Miller.

Jack Brophy is spending a time at the Brophy ranch with his Mother and sister.

Everyone seems to be taking advantage of the spring sunshine while it lasts. Mary Hannaford and Sybil Castor will soon have some snapshots of the surrounding country as a result of their hike Sunday afternoon.

Geneva and Lola Mires and Elsie Loveland spent Sunday afternoon horse back riding.

The pupils of the Eagle Point High School extend their sincere sympathy to Mrs. Atkins and family in their recent bereavement.

Verta Mathews of the eighth grade is in the hospital due to pneumonia. We hope for her rapid recovery.

EAGLE POINT WINS TWO GAMES FROM PROSPECT

Both the girls and town teams won from Prospect last Friday night.

The boys lost by only two points. It was by far the best game the boys have played this year. Prospect outplayed Eagle Point until the last quarter when Eagle Point raised their score from 7 to 16, but Prospect's lead was too great to overcome in such a short time. The game ended with Prospect, 18--Eagle Point, 16.

LINEUP

Eagle Point 16		Prospect 18	
Young 8	F	Mooney 6	F
Medley 4	F	Merriman 8	F
Pelle 4	C	Casey	C
Cowden 2	G	Merriman 4	G
Compton	G	Hoag	G
Davis	S		

The girls game was a little too one sided to hold the attention of the people. The Eagle Point girls played a fast game with good team work causing the score at the end of the game to be, Eagle Point, 51--Prospect, 22.

BELIEVE IT OR NOT

Mr. Hahn did not assign detention to any one this week.
John Medley handed in a newspaper article on time.
Rosalyn Ripley's hair is really curly, but she puts "Stacomb" on it to smooth it down.
Tommy Coy says he is dated up for every evening this week.
Who is it??
Zetta Rigby and Hazel Smith have not been seen in the detention room for several days, yet they are not absent from school.

CLASS WORK PROGRESS

Last week the Junior class under the supervision of Miss Burt constructed a telegraph system. Every one took a great interest in the sending and receiving of telegraph messages by the Morse Code method.

All garments are progressing rapidly in the Domestic Art class. Peace reigned supremely last week because Mary and Sybil were working very hard on their dresses which they wished to complete by Friday.

The English III Class is glad to report that they have finished Shakespeare's "King Henry V".

The United States History class has reached the period of the Civil War. They found the slavery question which was the center of much confusion before this period very interesting, although much concentrated study was necessary to keep the numerous exciting events in order.
